# Honest notes from my first session

# Worked: a draft from one typed idea.

# Worked: a rewrite by chat followed all three instructions.

# Cost: draft plus rewrite was 17 credits, 300 to 283.

# Worked: Clips found one 32-second vertical clip. 13 credits.

# Not ready: roughly 70% black bars, no captions seen, quiet audio.

# Limit: Clips needs a source of at least 2 minutes. My 1:33 upload was rejected.

# What would you want to know before trying it?
